

Alexander Delgado Tejeda

Frontend Engineer | React, Next.js & TypeScript | E-commerce, Shopify & CRO | Web Performance & UX

Cuautitlán Izcalli, México • alexanderd.tejeda.08@gmail.com • +52 55 8384 5009 • [Linkedin](#) • [Github](#) • [Portfolio](#)

Frontend Engineer focused on building fast, scalable, and results-driven web interfaces. Experienced with JavaScript, TypeScript, React, and Next.js across enterprise applications and e-commerce. I combine frontend development with UX, web performance, Shopify, and CRO, backed by full-stack experience with Node.js, APIs, PostgreSQL, and C#.

Experience

Weecom

Frontend Developer | E-commerce & CRO

Remote

Apr 2026 – Present

Independent Contractor

- Developed and customized production e-commerce interfaces using JavaScript, Liquid, HTML, and CSS across multiple brands.
- Built and optimized PDPs, PLPs, landing pages, carts, and reusable responsive components.
- Translated Figma designs and CRO improvements into production-ready frontend implementations.
- Analyzed conversion funnels and UX friction, implementing A/B tests focused on improving conversion rates.

Softtek

Frontend Software Engineer

Mexico City, Mexico

Nov 2025 – Feb 2026

- Developed and maintained **React frontend features** for a Walmart enterprise application.
- Built reusable components and integrated frontend functionality with **backend services and APIs**.
- Resolved bugs, improved existing features, and supported deployments using **Git and CI/CD**.

Slim Company

Full Stack

Developer

Frontend Focus

Cuautitlán Izcalli, México

Apr 2024 – Jul 2025

- Developed **React + Vite interfaces integrated with C#/.NET APIs** for an electronic invoicing platform.
- Built web applications using **React, Node.js, and PostgreSQL** for product management and internal business processes.
